"A SECRET." One great secret of youth and beauty for the young woman or the mediac is the proper understanding of her womanly system and well-being. Every woman, young or old, should know kerself and her physical make up. It also get a good doctor book, such for instance, as the "Propin's Common Sense Medianal Advisor," by R. V. Pierce, M. D., which can readily be procured by sending twenty-one cents in one-cent stamps for paper-boand volume, or thirty-one cents for toth-bound copy, addressing Dr. R. V. Pierce, at Buffalo, N. Y. The change from mandeshood to woman-bood is one that involves the whole body. The strain at this time upon the blood-forming structures may be too great. Disorders of the functions peculiarity feminine are nearly always dependent upon defective resitation. In all such cases Dr. Pierce's Perceite Prescription is just the vegetable tonic for the female system.

most exposure my through for the branch I secured in section for February from the February section. Described for the branch I section for Co., 860. "I took "February Freezing M. See that a perfect care has been for the first thanking you for the kind heetyl better which you want?"

Mr. Leon Herlinger and Miss Har on of East Audrain, while out dri og several days ago, were met in the ad by a runaway team belonging Chas. Petse and run over. Mbs. Har non escaped with a few slight inich es but Mr. Herlinger was quite set usly hurt but is improving nicely.

The Iron in it. This is the Wine that beats the world in its valuable medicinal qualities, for family use and evening parties; it is especially beneficial for females, invalids and aged persons. The Port Wine is nine years old and the Burgundy, a rich dry wine eight years old. The Claret equals the finest French product e
